One of the notifications issued on 11.11.26 no. 333/ d.c. 3-26-2, relates to the qualifications and disqualifications of voters to the Legislative Council. In rule 3 relating to the urban constituencies one of the modifications effected in the rules was the making of the assessment and not the actual payment of municipal or other tax, the criterion for including any voter ~~name~~ name in the electoral rolls. ~~On accordance with~~ Yesterday an amendment was issued adopting the same principle in the case of the voters of the rural constituencies.

Similarly in the case of the voters of rural constituencies to the Rep^r Ass^y. an amendment ^{seems to be} necessary, the necessary modification having already been made in the case of the voters of urban constituencies. Submd. with a draft.
